The Massimo family of Rome are the owners of the Clerkenwell crime syndicate in London also called the Adams Family or A-Team for its founders Terry, Tommy, and Patrick Adams. Prince Stefano Massimo's mother was Dawn Addams who was an English actress that married Prince Vittorio Massimo of Roccasecca. Prince Stefano Massimo is the father of Prince Valerio Massimo, Prince Cesare Massimo, and Prince Tancredi Massimo and they all reside in London today. Stefano's sons all assist him with his criminal enterprises. Clerkenwell was nicknamed "London's Little Italy" for its large Italian population. The Clerkenwell crime syndicate is involved with murder, extortion, drug trafficking, and human trafficking. They are believed to be involved with the Brink's-Mat Robbery consisting of hundreds of millions in stolen cash, diamonds, and gold. The Italian Nobility and their mafias have a pattern of committing gold heists. The Company of Goldsmiths is located in Clerkenwell and they are in contract with the Royal mint. The Massimos and their mafias extort gold from the royal mint through the Company of Goldsmiths. The Massimos covertly work with the Goldsmith banking family as well. Kenneth Noye is an English gangster and Freemason that was involved in the Brink's-Mat

Robbery. Noye also killed a police officer that was investigating him and got off on all charges under self defense. It is possible the Adams crime family murdered the Scottish billionaire Scot Young by throwing him off a building while the media in the UK claims it was either suicide or the Russian Mafia. His reported wealth was never accounted for. The Adams crime family are also allied with the Irish Mafia and Arifs Turkish Mafia. Danny Morrow is a member of a Glasgow street gang and a ruthless associate of the Clerkenwell Mafia. Peter Morrow is a US businessman that founded Sycamore Partners a New York private equity firm. Prince Stefano Massimo works as a fashion photographer. Silvio Scaglia is an Italian-Swiss billionaire that lives in London and he founded and runs Pacific Global Management Group which owns Elite World an international model management company. Model agencies have been exposed for their involvement with high end prostitution. Scaglia was investigated for tax fraud ordered by Rome's anti-mafia public prosecutor and Scaglia was later acquitted of all charges like so many other wealthy criminals operating in Rome. Remo Ruffini is another Italian billionaire and agent of the Massimos of Roccasecca. Ruffini refers to the name rufus which means red haired. Prince Stefano and his sons Tancredi and Valerio have red hair. Remo Ruffini is a part owner of the fashion

company Moncler. Prince Stefano Massimo is a fashion photographer. The Massimos have English and Scottish white collar mobsters operating in New York and infiltrating Wall Street and running investment firms.

The Massimo family established an Irish noble branch called the Barons Massy in Limerick where the McCarthy-Dundon crime family operate in. Paul Massey who was killed in 2015 was an English gangster and likely associate of the Clerkenwell Mafia. His son

Stephen Massey is also a convicted criminal. The Massimo

Prince Stefano's ex wife and Prince Valerio's mother is Atalanta Foxwell. In Ireland there is also the international Rathkeale Rovers crime syndicate which is involved in museum and art theft. Prince Tancredi works as an art appraiser and is also part owner and adviser of the Rathkeale Rovers.

The name Tancredi derives from Thankarath. Thanka-rath like Rathkeale. The O'Brien clan of Rathkeale are top members of the Rathkeale Mafia. The mafia extort and blackmail politicians, bankers, members of the media, and businessmen. They are covert and use violence. Royal and noble families use mafias to do their dirty work. Mafias are criminal business enterprises for the royal and noble families. Members of the mafia are often disposable to them while others are valuable and this is why they pay off judges and police to protect them. Prince Stefano's mother Dawn Addams remarried to Jimmy White and the name White similar to her name Addams relating to the Adams crime family and English mobster Alfred Henry White who was at one point an enforcer for Charles Sabini an English-Italian gangster located in Clerkenwell. Prince Stefano Massimo married and divorced Atalanta Foxwell of England and lives in London today and their son Prince Valerio Massimo is in business with Duke Edward Spencer Churchill running Auctus Industries an aerospace company and SCM Capital Partners. businessmen. The Clerkenwell Mafia have been suspected of being involved in about 25 murders. In 2017 Terry Adams paid about 725,000 pounds equal to 1 million dollars to the UK government in order to stay out of prison for money laundering. Even most white collar criminals fear the Black Hand mafias. Prince Stefano Massimo is a ruthless and murderous terrorist and his Clerkenwell Mafia operates in the same way.

Prince Stefano Massimo of Roccasecca is the owner of the Clerkenwell crime syndicate of London. Prince Stefano is a ruthless and sadistic terrorist who is a burning contagious rash of pure evil. Prince Stefano Massimo responds to getting exposed for his crimes and all satanic crimes with arrogantly grinning and arrogantly

claiming that exposing him for his prior crimes and criminal behavior allows him to commit more crimes and satanic idiots believe him. He is a defense for his relatives in Rome the Massimo-Brancaccios. Prince Stefano Massimo works as a fashion photographer and he and his mafia traffic women and children. Prince Stefano Massimo is one of the most evil beings on the planet. There is no humanity inside of him. Prince Stefano Massimo burns children alive at the Breakspear Crematorium and likely in other locations. Prince Stefano claims exposing him for burning people alive enables him to burn more people alive. That is how insane and evil this psychotic this sub human is.

The Massimos merged with the Lancellotti family. The Lancellottis established an ancient British branch called the Breakspears which produced the only English pope in history. A variant of the Lancellotti name is Lancerotti which translates to break spear. Today the Breakspears own a crematorium in England. The Massimos of Roccasecca are child traffickers and child murderers. They burn women and children alive in furnaces. Prince Stefano Massimo and his three sons all need to be killed as soon as possible. They deserve slow and extremely painful deaths. They deserve to be tortured to death as slowly as possible.

Terry Adams is a top boss of the Clerkenwell Mafia. The Clerkenwell Mafia is larger than what is known. There are many Italian and Irish mobsters in the United Kingdom that are working with the Clerkenwell Mafia or Adams crime family including Camorra. I believe that there is a mafia headquarters at the Gatti House apartments which were built by the north Italian and Swiss Gatti family which later migrated to the United Kingdom.

His murder is linked to a feud between a Salford gang known as The A Team, whose members had allegiances to Massey, and a rival outfit.

There have been numerous arrests and investigations of Pakistani men trafficking women in the United Kingdom. His brother Liam Adams was arrested and convicted of raping his own daughter and sentenced to 16 years in prison. The IRA is still active and overall is a terroristic organization that has spread and become international. The Continuity IRA is a front for the IRA. Some members of the IRA are more genuine in that they want sovereignty from the United Kingdom and a unified Ireland however that is not the motivation of its leadership. I am not Irish however I agree that Ireland should be a sovereign nation free from the control the United Kingdom and I agree with the use of violence towards foreign invaders however the IRA's motivation is not that. If the people of Ireland want sovereignty from foreign entities they should

focus more attention on the Vatican and its loyalists like the FitzGeralds as well as the Dutch Crown and the Loyal Order of Orange. Also the Guinness family are loyal to both the Vatican and British Crown and it was Martin McGuinness that ran the IRA for years and is an associate of Gerry Adams. The IRA works with the Irish Mafia and many members of the Irish Mafia are also IRA members. The IRA are in the United States and they are Irish supremacists and many are members of the Irish Mafia.
